(If so, set forth procedural status and summarize any court rulings.)

The case was dismissed with prejudice after Defendants filed a motion to dismiss.

Explain in detail the reasons for your position that the newly filed case is related to the earlier filed case.

The newly filed case is related to the earlier filed case because both cases involve the same parties and the same facts. In both cases plaintiff is seeking compensation from Defendants after an arbitration tribunal found him to be solely responsible for his sexually harrassing behavior towards two dancers who performed at the Club that he previously worked. The only difference between these two cases is that Plaintiff is making a New York common law claim for contribution instead of a New York Common Law claim of unjust enrichment. Defendants will seek to dismiss the newly filed case based on the motion to dismiss decision in the earleir filed case.
